RETRENCHMENT URGED

Delegates Favor Abolishing Excess Profits Tax-Want Net Losses Deducted.

A protest against the adoption by Con-Second National Tax Conference at the Hotel Astor by the tax committee of the National Industrial Conference Board

This is a much better solution than trenchment and reform in Government mittee expressed the opinion that, despite the existing tax burden and the need permit a substantial reduction in the amount of revenue which must be raised during the next few years. Opposition was voiced to any present attempt to re-fund the country's outstanding floating

debt.

The repeal of the excess profits tax was recommended because, as the committee says, its administration has become difficult and complex, because it discriminates unjustly between different forms of organization and percentages of profit and because it has encouraged extravagance in business management.

Would Reduce Surtax Rates.

It also was recommended by the com-mittee that the higher surtax rates on individual incomes should be reduced in the case of that part of the income saved the net loss sustained by a taxpayer in any year be allowed as an offset against net income. It was estimated by the committee that its recommendations wou'd reduce the present net annual income of the Government to the extent of \$1.032,000,000.

Suggestions offered to make up the loss according to the committee, would

ioss, according to the committee, would yiel! \$1,293,F00,000 in additional revenue. It was proposed by the committee to increase the corporation income tax to not more than 16 per cent, except in the case of public utilities subject to regula-tion on which the rate would remain 10

FOREIGN SHIP LINES WIN ANTI-TRUST CASE

three years of Recent Biddle, who is a native of Detroit. was graduated from West Point in 1881 and served during the Spanish-American war as a Lieutenant-Colonel in the Engineer Corps.

At the time of the entrance of the Diddle was Superintendent of the Militate was made as a signal to company of the Regular Army and later commissioned a Major-General in the National Sarmy.

A period of service in France was followed by his return to the United States of the New York Produce Exchange. The services rendered by a broker or forwarder, he said, cannot be construed as being covered by the Sherman law.

Annothed States District Court chargeting thirty-eight foreign steamship companies with engaging in a conspiracy in prestraint of interstate and foreign trade, Judge Julius M. Mayer yesterday sustained the demurrer as to the charge of monopoly in violation of the Sherman law, but reserved decision on the charges of restraint of trade.

Ex-Judge Van Vechten Veeder for the Ex-Judge Van Vechten Veeder for the Produce Exchange. The services rendered by a broker or forwarder, he said, cannot be construed as being covered by the Sherman law.

Henry A. Guiler and Roy C. Joyce. Government prosecutors, argued the indictment followed the wording of others which charged violation of the Sherward was made as being covered by the Sherman law.

Proposed Bill Will Cut Off Two

Months From Present Period. The Merchants Association has in-forsed a bill fixing daylight saving Gorsed a bill fixing daylight saving throughout the Eastern time zone from the last Sunday in April to the last Sur-

day in September.

Reduction of the daylight savinperiod from seven to five months has
been decided upon to remove a considerable part of the opposition, it was stated.
